Where as a result of a merger or the purchase of the controlling interest in a corporation, acreage in excess of the amount permitted is acquired, the party holding the excess acreage shall have 180 days from the date of the merger or purchase to divest the excess acreage. If additional time is required to complete the divestiture of the excess acreage, a petition requesting additional time, along with a full justification for the additional time, may be filed with the authorized officer prior to the termination of the 180-day period provided herein.
